## Weekly Spellings

You will have 20 spellings to learn every week.

10 spelling pattern words- find your groups words on SeeSaw.

10 words from your own spelling booklet.

### Define it!

Spelling Challenge Activity

#### **Define it**

Write a definition for each spelling, using a dictionary to help.

*continue – to carry on doing something.*

## Other tasks and Information

We have started a new class story called *Oranges In No Mans Land*. Find it on Active Learn,

Keep adding your brilliant work to SeeSaw and reading on Active Learn. Don't forget to spend some time on TT Rockstars. Look out for the latest competitions.

## Maths

### Weekly Arithmetic Test

Remember to use Standard Method and check your working out.

#### MATHEMATICS

##### Arithmetic

Work out in your books but write the answer clearly on this sheet.

- 1) Round 73129 to the nearest 100
