Friday 20th June 2025

Dear Parents and Carers,

The children have been exceptional coping with the weather this week! They have persevered and have completed their work to a high standard. To show how proud of them we are, we ended today with an ice lolly and a story. Thank you to you all for ensuring your children have water bottles, sun hats and sun cream!

Class Spotlight: Year 6R

This week, Year 6R made most of the sunshine and completed some outdoor learning in Geography. We looked at fieldwork and sketched and created some of our own sketches of the school premises.

Attendance Award, Reading Raffle and Expectation Band Winners

It was wonderful this afternoon celebrating how amazing you all are - keep it up!

Summer Fair

Raffle tickets will be on sale on Monday - you can purchase these from Mrs Whalley and Miss Lucas on the playground before school and after school as well as from the school office. Each ticket is £1. Keep your eyes peeled on Dojo to see what prizes are up for grabs!

Attendance

As a school we strive for 97% in all classrooms every day. If a class is successful to do this, they earn a star. Once they have 9 stars, one for each letter in the word excellent, the children decide on an attendance award.

School's attendance has been very low since half term. Please can parents ensure all holidays are booked in half terms and that children attend regularly to ensure they receive their full education entitlement.

This week's attendance is;

<u>Reception</u>	<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>Year 4</u>	<u>Year 5</u>	<u>Year 6</u>
86%	95%	99%	91%	94%	89%	92%

Well done Year 2, you are this week's winners!

I hope you all have a wonderful weekend in the sunshine - please take care.

Yours faithfully,
Mrs. L Whalley
Headteacher
